January 2022 to March 2022

Message from Bhau Institute's CEO

The last quarter of Bhau Institute was great quarter, during which we incubated 7 new start-ups. We initiated the outreach for NIDHI EIR, PRAYAS and SISFS schemes. We provided funding to 21 start-ups through Bhau Institute, including 13 start-ups through DST PRAYAS funding, 4 start-ups through DST EIR funding, 3 start-ups through Startup India Seed Funding Scheme and 1 start-up received CSR funding. In addition, 5 of our start-ups were selected for HDFC Parivartan Grant.

We at Bhau Institute are proud to mention that, our Board Member, Dr. Pramod Chaudhari, Founder & Chairman of Praj Industries, received Dr. William C. Holmberg Award for his lifetime achievement in the Advanced BioEconomy

Bhau Institute has continued its focus to expand its eco-system network of academic institutions, VCs, Funding agencies, technical and business mentors. We also look forward to more engagement with our eco-system partners to support the startups effectively.

Due to my personal commitments and constraints, I had requested Bhau Institute Board to relieve me by end of March 2021. I take this opportunity to thank all our DST, DPIIT, COEP, our corporate CSR partners, eco-system partners, my own team and Bhau Institute Board members for contributing to Bhau Institute's initial journey and supporting me during my association as a CEO for these 5 years. I also want to thank all the start-ups for being part of this journey and making us proud from time to time through their achievements. I will continue to support Bhau Institute and plan to actively contribute to start-up eco-system in India.

I welcome Dr. Kamalkishore C. Vora, as a new CEO of Bhau Institute starting 1st April 2022. Dr. Vora comes with a vast experience of 36 years in the industry and academia. His major experience is supporting the Automotive Industry through ARAI, Pune for 10 years (1986-96) in Engine Group and 17 years (2004-21) in ARAI Academy. He is advisor in various activities of SAEINDIA, under which he conducts student activities across India like AWIM and BAJA SAEINDIA. I am sure that he will take Bhau Institute from its strong foundation now to further greater heights in years to come. I wish him, Bhau team, all our start-ups and eco-system partners a great success in all their future endeavours.

Welcoming Bhau Institute's New CEO, Dr. K.C. Vora

Dr. K. C. Vora has his Ph.D. from IIT-Bombay. He has a vast industrial & academic experience of 36 years. He has specialized in the field of Automotive Education, Innovation, Technology Development, Knowledge Management, Powertrain & Emission Control. He is reskilled in the area Electric Vehicles and chairs ASDC Expert Group for Electric Vehicles.

He has superannuated from ARAI in Oct 2021 as Head of ARAI Academy and joined COEP. He is instrumental in starting ARAI Academy, which conducts Training Programmes and Graduate, Post-Graduate & Doctoral courses in Automotive Engineering in collaboration with various Universities.

He was also the co-ordinator of EV Awareness Programme mooted by MoHI and Road Safety Awareness Programme mooted by MoRTH. He has gained a cross cultural exposure by working with Industries & Universities from India, Germany, UK, USA, Nepal and Sri Lanka.

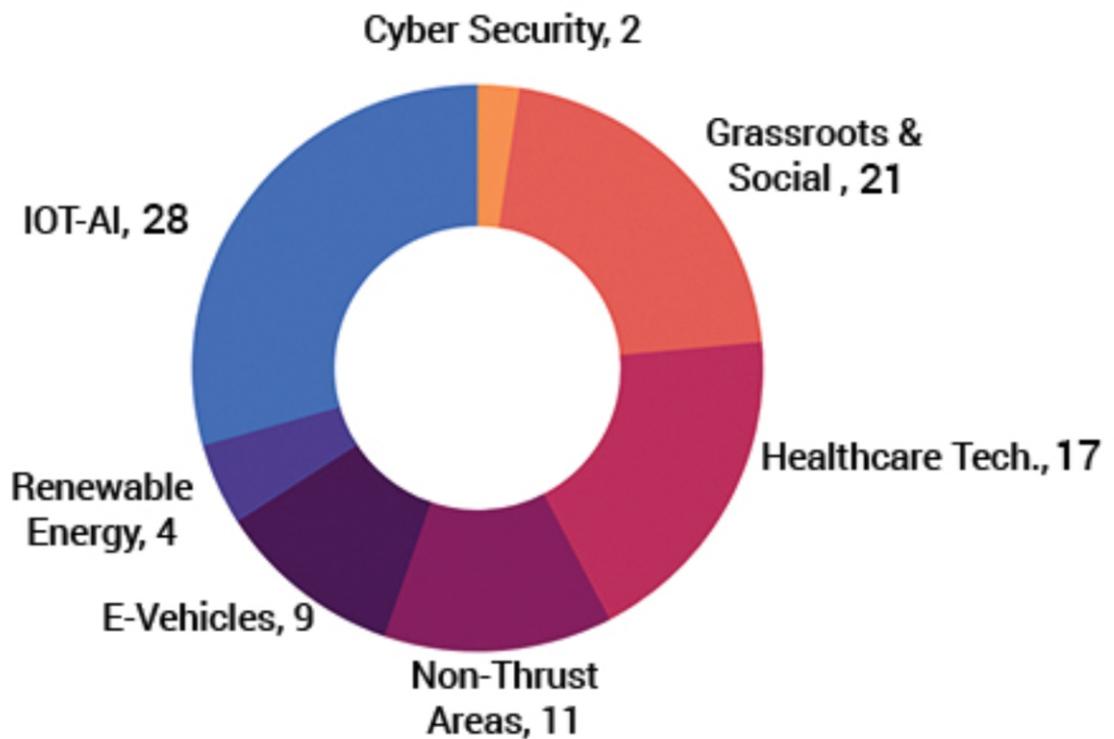

He is the Advisor in various activities of SAEINDIA, under which he conducts series of students' activities like AWIM & BAJA SAEINDIA. He is a member of SAEINDIA Managing Committee, chair of BAJA SAEINDIA Organizing Committee and also Chair of SAEINDIA Faculty Development Committee.

He is recipient of Best Learning Centre Award for ARAI Academy & Knowledge Centre from the Indian Society for Training & Development (ISTD) and GURU Award from SAEINDIA Foundation for his contributions to the students of India. He also received Quality Excellence Award for Teaching & Learning Practices and Lifetime Achievement Award by the Open International University, Sri Lanka & Imperial Society of Innovative Engineers (ISIE). Recently, he has been conferred by Indian Quality Assurance Council (IQAC) for Best Teaching-Training Quality Excellence Award.

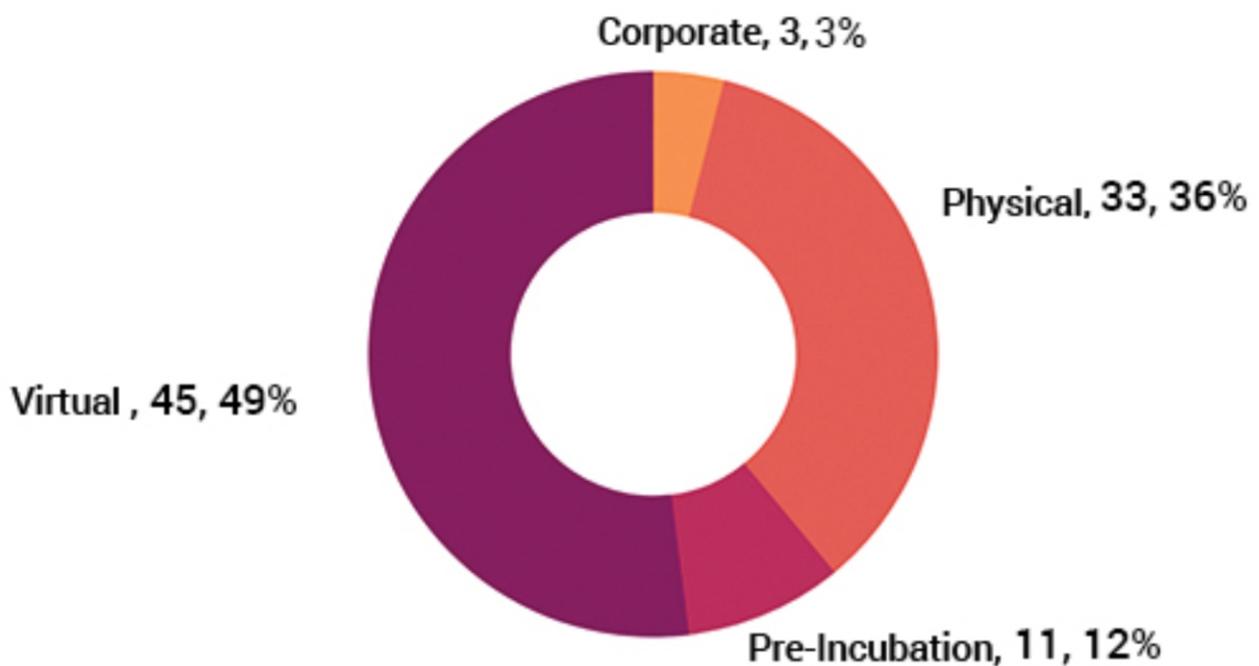

He has 111 Technical Papers, 4 books & 3 patents to his credit.

WOMEN POWER OF BHAU

Swati Maini
 founder
 M/s Maini Renewables Pvt. Limited

"As a founder, I was deeply inspired by the vision to create a zero-carbon footprint during energy production while solving for the unpredictable nature of other renewables. Two-thirds of our planet is covered by water and most of this water is in motion. Therefore, I designed a new technology that can harness the energy in these moving waters across the planet."
