TRAINING AND WORKSHOPS

An entrepreneur has to make countless strategic and operational decisions, although with limited information, in a rapidly evolving environment. At Bhau Institute, we believe that entrepreneurs don't need a lot of information, they need targeted knowledge, experiential wisdom, peer-based learning environment, and program deliverables to advance their startups. Bhau's courses will help developing such entrepreneurial way of thinking.

Incubate

INNOVATE, CREATE & ACCELERATE

Bhau Institute's innovation and incubation program are designed to nurture new and small businesses by helping them survive and grow through the difficult and vulnerable early stages of business. The focus areas of incubation are Grassroot Innovations, Healthcare Technologies, Cyber Security and Internet of Things.

Integrate

EVENTS AND NETWORKING

Bhau hosts events related to its focus areas and also on Innovation, Entrepreneurship and Leadership. These events are locally integrated and globally connected to enable cross-border collaboration for start-up creation. Bhau host events either individually, or in partnership with local startup ecosystem players, corporate partners, or internal network affiliates. Whether you are a student, an entrepreneur, an investor or a startup enthusiast, we definitely have an event for you.
